

The 3rd CIM Conference on Inflammation and Metabolism
Friday, May 1st 2009

Venue: Auditorium 2, Rigshospitalet,
Blegdamsvej 9, DK-2100 Copenhagen

Program

- 08.30 – 09.00 *Coffee and registration*
- 09.00 – 09.15 **Welcome**
Prof. Bente Klarlund Pedersen
- 09.15 – 10.00 **Adipose tissue dysfunction: more than just inflammation?**
Prof. Philipp Scherer
- 10.00 – 10.45 **Metabolic Control by Muscle**
Prof. Kenneth Walsh
- 10.45 – 11.15 *Coffee*
- 11.15 – 12.00 **Dissection of the genetic complexity of type 2 diabetes**
Prof. Leif Groop
- 12.00 – 12.45 **Novel therapeutic targets to treat obesity-induced inflammation and insulin resistance**
Prof. Mark Febbraio
- 12.45 – 13.45 *Lunch*
- 13.45 – 14.30 **Adipocyte secretion of serpins link obesity to metabolic dysfunction**
Prof. Matthew Watt
- 14.30 – 15.15 **Mechanisms regulating skeletal muscle growth and regeneration**
Dr. Pura Muñoz-Cánoves
- 15.15 – 16.00 **Altered IL-6 signaling in satellite cells from human insulin resistant muscle**
Postdoc Camilla Scheele
- 16.00 – 16.15 **Closure**
Prof. Bente Klarlund Pedersen

Conference fee is DKK 500. Deadline for registration is Monday, April 20, 2009
Registration at www.inflammation-metabolism.dk
